

This exploded view diagram illustrates the components of a motorcycle wheel assembly. The main assembly consists of a tire (8) mounted on a wheel rim (1). The hub area features a central axle nut (9) and a hub cap (5). The brake system includes a brake disc (6) with a central hub (2) and a brake pad (3). A brake master cylinder (4) is shown at the top, connected to the brake disc. A brake cable (7) is also shown, connected to the brake disc. A small component (10) is shown near the tire. The diagram uses dashed lines to indicate the assembly path and alignment of the parts.
